

Greetings Champion,

Blessings and increase, power, might, and dominion to you in Jesus' name!

Last week I shared with you some timeless words of wisdom. I want to share some more and hope it puts a smile on your face.

Kindness is the only language that the blind can see and the deaf can hear.

When you meet temptation, turn to the right.

The one thing worse than a quitter is the man who is afraid to begin.

Never tell a person that something cannot be done. God may have been waiting for centuries for somebody ignorant enough of the impossible to do that very thing.

Maturity begins when we are content to feel we are right about something, without feeling the necessity to prove someone else wrong.

The 5 things that will determine whether 2015 will turn out superb or a bummer are:

1. What you hear
2. What you think
3. What you believe
4. What you say
5. And what you do

Those 5 things determine what you get in life.

When you become more, you can do more, have more, and help more.
