

Greetings Champion,

I want to share some clever words of wisdom to live by.

Choice, not chance, determines your destiny.

A man wrapped up in himself makes a very small package.

Happiness multiplies as we divide it with others.

Great opportunities come to those who make the most of small ones.

Faith is not believing that God can: it is knowing that He will.

Don't be a wheelbarrow Christian – one always having to be pushed and is easily upset!

Nothing ruins the truth like stretching it.

Okay, we're just a couple of weeks into the New Year. Since most of 2015 hasn't happened yet, let's make it awesome! After all, we are the architect, sculptor, artist, and designer of our life.

God wants the rest of your life – to be the best of your life!

Blessings and love,

Pastor Glen
