

Greetings Champion!

“May the Lord, the God of our fathers, increase you a thousand times more” (Deuteronomy 1:11).

Many people feel uncomfortable for wanting and desiring more than they currently have, even though God says that He wishes above all things that you may prosper (3John 2) and our verse above states that God wants to increase you a thousand times more.

Your desire to experience “more” is a God-given desire. The desire for riches is simply the capacity for a larger life – seeking fulfillment.

That which makes you desire more money, success, happiness, etc., is the same as that which makes the plants grow. It is life seeking fuller expression. This life causes the palm tree and the redwood to push skyward and not be satisfied with only growing 20, 30, or 40 feet in height. It’s the same force that causes the weeds to fight to push through the cracks in the concrete. It is the same urge for life that causes the jungle to overtake a parcel of cleared land.

Your desire for “More” is simply life seeking fuller expression. In fact, the very first words human ears ever heard were the voice of God telling Adam and Eve to “Become More” and “Thrive” (Genesis 1:26-28).

The desire for more riches is not greed or selfishness; it is the God-given nature of every living thing.

You can be, do, and have what you desire in life. God is the One who gave you the desire in the first place. He authored the desire and wants to help you fulfill that desire (Psalm 37:4).

The desire itself is proof that you have the power to accomplish the thing you desire.

Where there is no power to do something, there is never any desire to do that thing.
