

Greetings Champion!

Grace and peace be multiplied to you in the Mighty Name of Jesus.

I am very aware that many wonderful children of God are engaged in a conflict. It could be spiritual, physical, mental, domestic, or financial.

On the box of her cake mix, Betty Crocker said, "If you use my ingredients, and follow my recipe, I will guarantee you a perfect cake every time."

On the pages of His Word, God guarantees perfect results every time, if you simply use what He has provided and follow His recipe.

Using a cake mix, you may be required to add water, milk or even an egg. Those ingredients may not be included in Betty Crocker's package.

God's package is complete, but He requires you to add the ingredient of your faith with His ingredients.

God has provided everything for us to be victorious in life, but we must do the believing. God won't do our believing for us, and it takes faith for it to work.

The great thing about us needing to add our faith to what God has supplied is that God supplies the faith that we need to add. It's all from Him.

"Faith comes by hearing and hearing by the Word of God" (Romans 10:17). That means as we interact with God by reading, fellowshiping, and hearing what He has to say, our faith that appropriates what He has provided, grows.

Regardless of the conflict you find yourself in today, God has not only provided a way of escape, He has provided total victory for you.

Your job is to live each day with an attitude of gratitude, in perfect peace, believing God for His very best, as you use His ingredients and follow His recipe.

My prayer for you is that you experience God's results everyday. I know you will as you utilize "The Recipe of Faith."

Love,

Pastor Glen
