

Greetings Champion!

Blessings and increased to you in the mighty name of Jesus!

Did you know that nothing glorifies God more than a Christian realizing what his position is before God our Father and us taking our place as a son of God.

Nothing builds faith and confidence in us more than the realization of our true position "In-Christ."

Nothing hurts Satan and his kingdom more than the believer who realizes who God made him to be in Christ.

One of God's purposes in redemption that is frequently overlooked was that God wanted to provide some quality friendship and companionship for Himself.

It is only as you know, understand, and comprehend your true identity "In-Christ" that you can fulfill God's yearning for worthwhile fellowship.

In addition to you benefiting, your growth and maturity and hunger for God provides God with some decent Association for Himself. YOU!

God wants to reveal to every believer the greatness of redemption so we can grow spiritually to the place where we comprehend and enjoy His love, nature, power, provision, and purpose.

In return, because of the nobility and greatness of our redeemed character and nature, God can then enjoy us, too.

Thankful to be alive serving Christ,

Pastor Glen
