

Greetings Champion!

“Beloved, I wish above all things that prosper and be in excellent health even as your soul prospers” (3 John 2).

I thought it might be a blessing to you for me to share “Day 3” from my 30 Day Devotional on Healing.

Jesus likened the Word of God to a seed in Mark 4. Just as a seed must be planted and watered and cared for in order to grow properly, so does God’s Word. The way you water and fertilize the seed of God’s Word is by meditating on it, speaking to it often, and acting on it. This process assures the growth, development, and manifestation of the Word.

Our verse for today guarantees total freedom from all sickness. Your job regarding this verse is to believe it and fulfill the required condition it gives.

EXODUS 23:25

NIV – Worship the LORD your God, and his blessing will be on your food and water. I will take away sickness from among you,

Basic English – And give worship to the LORD your God, who will send a blessing on your bread and on your water; and I will take all disease away from among you.

Moffatt, Smith-Goodspeed – ... I will free you from disease.

Affirmation of Faith

“I will” is the strongest assertion that can be made in the English language. God is speaking to me now saying, “I will free you from disease.” God is watching over His Word performing it in me now. He is taking sickness away from the midst of me.

I serve and worship the Lord my God who takes sickness away from the midst of me. Good-bye sickness; the Lord is taking you away from the midst of me. Thank you God for taking sickness away from me. I thank you for doing what You said.

Healing to you in the mighty name of Jesus,

Pastor Glen
