

Greetings Champion!

During the month of July, I will be teaching on the subject of “Healing” on my daily radio broadcast, which you can also hear any time on my website.

For that reason, I wanted to also share some principles about healing with you today from my 30 day devotional book on healing.

“My son, attend to My words; incline your ears unto My sayings. Let them not depart from your eyes; keep them in the center of your heart. For they are life to those that find them, and **health** to all your flesh” (Proverbs 4:20-22).

The Hebrew word for “health” in this verse is “medicine.” (It is even translated “medicine” in the margin of many Bibles.) God’s Word is medicine to all our flesh.

The medicine God prescribes for your healing is His Word.

Many make the mistake of substituting “belief” in healing for the actual taking of God’s medicine – His Word. They say, “I believe in healing” or “I believe God can and does heal” without actually taking the medicine.

What good would it do you to believe in food if you didn’t eat any? You would starve. What good would it do you to believe in water if you didn’t actually drink it? You would die of thirst. God’s Word is God’s medicine and must be internalized in order to benefit you!

The way you take God’s medicine is by finding His promises to heal you and stories about healing, and then reading them and thinking about what God says over and over again. That’s called, “Meditating the Word.”

You will discover in life and in the things of God that your “Meditation Becomes Your Manifestation.”

Keep putting God’s Word first place in your life, and soon God’s Word will prove true in your case!

Believing with you for a long, healthy, and happy life

Pastor Glen
