

Greetings Champion!

God is with you! God is for you! And the Bible says, "God always causes you to triumph in Christ Jesus!"

Besides giving us eternal life and heaven as our future home, redemption brought to us so many benefits that they can't all even be stated, let alone comprehended. I trust you are fully walking in the benefits that you do know.

One of the many things redemption did was give us is a new nature, God's very own nature, changing us into a suitable, adequate, fitting, acceptable, and proper companion for God.

That means that not only were we tremendously benefited, but God was also benefited when Christ redeemed us. God said, "I, even I, am He that blotted out your transgressions for My own sake, and I will not remember your sins" (Isaiah 43:25).

Think of it. Both man and God benefited from what Jesus did.

We know we are to rejoice in the Lord always. But did you know that God rejoices over us? Get a load of Isaiah 62:5.

"As the bridegroom rejoices over the bride, so shall your God rejoice over you."

God wants to totally enjoy being in fellowship with you. And wants you to be delighted as you fellowship with Him.

Today, try to develop an awareness of God's love for you,

Pastor Glen
