

Greetings Champion!

When your thinking changes – your world changes!

*“And don’t be conformed to this world: but be transformed by the renewing of your mind” (Romans 12:2). To control your mind will change your life for the better. Be not conformed to this world means, “Don’t let the devil squeeze you into his mold and fit you into the world’s system of thinking.”*

How do we resist Satan's power to conform us to the world's system? By training our mind to think in-line with God’s Word.

A renewed mind is a mind that has ceased to worry and be fearful, and is not fretful. It has stopped running negative mental scenarios of failure and lack. It is a powerful, productive, positive mind that only thinks on *“Things that are true, honest, just, pure, lovely, of good report, virtuous, and praise worthy”* (Philippians 4:8).

Obtaining and maintaining a sound mind is a *MAJOR TASK* since that's where Satan's primary attacks strike. The *“fiery darts of the Wicked One,”* from Ephesians 6, is referring to the attacks the devil brings against our minds.

*“For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not physical, but mighty through God to the pulling down of strongholds;) Casting down imaginations, and every high thing that exalts itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ” (2 Corinthians 10:3-5).*

We are commanded to rid our minds of negative, unproductive imaginations or reasoning’s that are contrary to God's Word and God’s purpose for our lives.

The reason this is so important is because the things you allow yourself to think about, have the creative power to actually happen, and will occur if you don’t remove them. For example; thoughts of lack – produce lack. Unhappy thoughts – produce unhappiness, fearful thoughts – make you afraid etc.

This is one of the most important truths and principles you can ever learn!

Thinking on right things,

Pastor Glen
