

Greetings Champion!

Blessings and increase to you in the mighty name of Jesus!

During His ministry on earth, *"Jesus of Nazareth was anointed by God with the Holy Spirit and power: who went about doing good, and healing all that were oppressed by the devil"* (Acts 10:38). Jesus did this to demonstrate and model for believers everywhere that Satan's reign of terror was coming to an end. *"For this purpose the Son of God was manifested, that he might destroy the works of the devil"* (1 John 3:8).

Here's the thing, Christians don't doubt the fact that Jesus exercised authority and dominion over Satan and his works, but they doubt their own ability to do the same.

Upon raising from the dead, Jesus said, *"All power is given unto me in heaven and in earth."* Then He said, *"Go ye therefore..."* (Matthew 28:18-19).

What *"Go ye therefore..."* means is that the believer has now been given the delegated power of attorney to exercise all the power of Jesus on this earth. The angels, authorities, and powers that are subject to Jesus (1 Peter 3:22) are now subject to us, the Body of Christ. Hallelujah!

Satan's Lordship Has Come to an End as Far as We Are Concerned

"That we might know what is the exceeding greatness of his power to us who believe, according to the working of his mighty power, which he worked in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places, far above all Principalities, and Powers, and Might, and Dominions, and every name that is named, not only in this world, but also in that which is to come: And has put all things under his feet, and gave him to be the head over all things to the church, which is his body, the fullness of him that fills all in all" (Ephesians 1:19-23).

Since the Church is "His body," and Principalities, Powers, Might, Dominions, and every name that is named is under Christ's feet, these same forces are now under our feet. That means Satan's lordship and dominion over the Christians has been broken.

Walking in His dominion,

Pastor Glen
