

Greetings Champion!

Blessings and increase to you in the mighty name of Jesus!

I am super excited about my new book, "*Jesus Recovered All.*" It's all about the amazing story of redemption.

The devastating loss that mankind suffered when Adam disobeyed God and sinned is of a magnitude that is beyond human comprehension.

- We lost our right-standing with God
- We lost our fellowship with God
- We lost our perfect health
- We lost our peace and soundness of mind

And, to make matters worse we were thrust under the lordship of Satan.

In my new book, I address these things that were lost in the fall, and clearly explain how Jesus legally restored what was lost back to everyone who believes.

The great news and amazing story of redemption is all that Satan took from Adam – *Jesus took back from Satan.*

All that Satan put on man – *Jesus took off.*

All that Satan put in man – *Jesus took out.*

All that Satan stole – *Jesus got back.*

## **JESUS RECOVERED ALL!**

Today is a marvelous day to be alive when you know who and what God has made us to be through the redemptive work of Jesus Christ.

Live in victory,

Pastor Glen
