

Greetings Champion!

Blessings and increase and power and might and dominion be yours in the name of Jesus!

Napoleon Hill said, "Let the first step towards good health be this: Do not dwell upon the image of illness. The mind tends to transmute all beliefs into their physical equivalent. Why then, see yourself as anything but a person who enjoys good sound health from head to toe and back again? Even if you do contract some illness or injury, hold to the peaceful knowledge that it is merely an adverse incident of life which of course you will overcome. Keep ill health out of your conversation and mind."

The same goes for prosperity or poverty, victory or defeat. Only think the positive and you'll only experience the positive.

God bless you,

Pastor Glen
