

Greetings Champion!

Blessings and increase to you in the mighty name of Jesus!

If courage, faith, and power are being drained from you because of lousy circumstances, welcome to the club. What you must do is replace or replenish those things, **before** you lose them altogether.

It seems that almost every day things happen in our lives that try to drain some of our faith and courage from us. When our power and courage is drained after being bombarded with bad circumstances, we find ourselves **disempowered and discouraged**. When God's Word goes into us, we are being **infused** with power, thus we are **empowered and encouraged**.

David, after suffering discouragement and depression following a terrible loss at Ziklag (1 Samuel 30) knew if he didn't snap-out-of-it and act in faith, he would be dead and his innocent loved-ones would suffer a terrible fate at the hands of their kidnappers.

Through positive faith-filled words, and positive faith-filled thoughts about God's goodness, David overcame discouragement and certain death, saved the lives of his loved ones, and recovered all that was lost. That's how you have to do it, too.

Check out what God has to say in this excellent verse. Hebrews 13:5 Amplified Bible, *"For He (God) Himself has said, I will not in any way fail you, nor give you up, nor leave you without support. **I will not, I will not, I will not** in any degree leave you helpless nor forsake you or let you down or relax my hold on you (Assuredly not)."*

Amen to that! God is with you and God is for you,

Pastor Glen
