

Greetings Champion!

Blessings and increase to you in the mighty name of Jesus!

You don't have to face life's challenges and problems alone. You have someone in your corner that's invested in your victory. His name is "God."

God is so invested in you that He gave His only begotten Son to die for your sins and bring you back to Him. You are God's child and He cares for you totally.

Remember, your enemy is not necessarily a person. God is fighting the enemy of sickness, lack, discouragement, depression, poor relationships, and anything and everything else that is inhibiting your progress and making your life smaller.

Your part in the battle against your enemies is to believe God for favor as you look to Him and trust Him to fight your enemies with you, and for you.

God said, *"I will bless those that bless you and curse them who curse you"* (Genesis 12:3). That's *crazy favor!*

You are not alone in the battle,

Pastor Glen
