

Greetings Champion!

'The blessing of the Lord, it makes you rich' (Proverbs 10:22).

In the Old Testament, Moses had appointed rulers (or pastors) over 1000s, 100s, 50s, and 10s (Exodus 18:21). That means, there were thousands of pastors to oversee the lives of several million Hebrews.

The 12 spies that were sent into the Promised Land were the most influential, highly respected, and renowned pastors of the people.

If you recall the story from Numbers 13:26-33, it was 10 of the leading pastors that persuaded the people that they could not have the best land in the world, the Promised Land, that God wanted them to have and enjoy.

Today, many of the highly respected and influential pastors are telling the Christian population that it's not the will of God for them to prosper and succeed. They are no different from the 10 unbelieving spies that talked God's people out of the Promised Land.

What's important to God, He says many times, and He talks about wanting His people to prosper hundreds and hundreds of times.

To manifest a financial future of abundance, you will first have to discover what has caused scarcity in your life. Up until now you have most likely blamed the economy, your lack of education or opportunity, your skill set, bad luck, the devil, or God's Will for your life.

But NO! It hasn't been those things, it's been thinking the wrong things. It's been thinking that lack and insufficiency is God's will for His people. It isn't!

Jesus paid a price so you can prosper financially. *"For you know the grace of our Lord Jesus, that though he was rich, yet for your sake he became poor, so that you through his poverty might be rich"* (2 Corinthians 8:9).

Find out how to get the prosperity Jesus paid for operating in your life in my new book "The Blessing of the Lord, It Makes You Rich" (Proverbs 10:22).
