

Greetings Champion!

Blessing and increase to you in the name of Jesus!

We discovered last week that the second most talked about subject in the whole Bible is prosperity, which includes wealth, riches, possessions, abundance, increase, supply, provisions, stewardship, giving and receiving, making a living, seedtime and harvest, and so forth.

It has been God's will to prosper His people financially (and every other way), since He put Adam and Eve in the most prosperous place that ever existed on planet Earth: the Garden of Eden.

It might be of interest to you to know that it was in the days of Adam and Eve, the very beginning, that God said, "*The gold of that land is good*" (Genesis 2:12).

Obviously, if God thinks gold is good, so should you. As a matter of fact, the first words a human ear ever heard was, "*Thrive and become more.*"

Genesis 1:28, "*And God blessed them, and God said unto them, be fruitful and multiply, and replenish the earth, and subdue it, and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moves upon the earth.*"

From the very first chapter in Genesis, until this moment, God's will is still for His people to be fruitful, multiply, resupply what's lacking and missing on earth, and have dominion.

Abraham, who is the father of all who have faith (Romans 4:11), was "*very rich in cattle, in silver, and in gold*" (Genesis 13:2). The Bible records that he was so prosperous that he had thousands of servants working for him (Genesis 14:14).

The children of Israel lived in the "*Good Land of Goshen*" and later God brought them into the "*Promised Land*" that the Bible says, "*flowed with milk and honey*" (Genesis 47:27 and Deuteronomy 6:3).

God's will has always been for His people to have the very best. Since that is a Bible fact, why not start believing for the very best for yourself?

Increasing with the increase of God,

Pastor Glen
