

Greetings Champion!

God has personally commanded THE BLESSING upon you, and it cannot be reversed (Deuteronomy 28:8, and Numbers 23:20). Believe it!

Since God's program cannot go forward on planet Earth if His promises are not fulfilled daily, I want to give you some "wake-up" Scriptures and statements.

Romans 8:16-17, *"The Spirit Himself bears witness with our spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint-heirs with Christ."*

You are an heir of God, and since God said, *"All things are yours"* (1 Corinthians 3:21-22), why should we not have and experience every great thing God has prepared for us and said He has given to us now?

God is the one that has purchased every need, want, and desire we could ever have. He did it for us through Jesus Christ and has promised what He purchased to us in the here and now.

Why should it not be our right to have, experience, and benefit from what Jesus died to give us and what God has promised and provided for us of these needful blessings now?

Romans 8:32 KJV, *"He that spared not his own Son, but delivered him up for us all, how shall he not with him also freely give us all things?"*

Seriously think about it. If God our Father didn't withhold the agonies of the whipping post, the scourging, and the cross from His Son Jesus, why would He now withhold from us, (His children), what those agonies purchased?

God putting Jesus through the agonies He suffered in order to redeem us, and not giving us the benefits of what those agonies purchased would be a miscarriage of justice from a just and righteous God.

God is faithful and true, and His word MUST prove true in our case,

Pastor Glen
