

Greetings Champion!

"The BLESSING of the Lord makes you rich, and He adds no sorrows with it" (Proverbs 10:22).

I wanted to share some life observations with you that I have come to believe are absolutely true. I've read so many success and leadership books over the years that I can't remember who said it originally (sorry).

- People who get what they want are willing to fail forward fast.
- Hurt people – hurt people (Hurting people – hurt people).
- Those who think govern those who labor.
- One crab can climb out of the bucket. Two can't because they pull each other down.
- Fear sometimes looks like procrastination, laziness, indecision, double mindedness, or complacency.
- Two reasons you don't currently have what you want:
 1. You don't know what to do to get what you want.
 2. You know what to do but you refuse to do it consistently.
- Like smoking and drinking, you can get so good at success and making money that you can't stop even if you want to.
- You can't become a millionaire doing minimum-wage activities all day long. You can't become a millionaire thinking minimum-wage thoughts all day long. You can't be happy by thinking unhappiness producing thoughts all day long.
- What you believe to be true is true for you, regardless how absurd, ridiculous, or far from the truth it is.
- What you focus on expands and increases, good or bad, beneficial or harmful.

Wisdom for becoming more is within our reach,

Pastor Glen
