

Greetings Champion!

Blessing and increase, and power and might and dominion to you.

In my book, "The Blessing of the Lord, It Makes You Rich" I explore and magnify our connection to Abraham because the Bible clearly states, that the reason Christ redeemed us from the curse was so that the "Blessing of Abraham" could come upon us (Galatians 3:13-14).

Romans 4 and Galatians 3, tell us over and over again that we are connected to Abraham and the same blessing that was upon his life.

*"And if you belong to Christ (do you belong to Jesus Christ? If you do...), then are you Abraham's seed, and heirs according to the promise"* (Galatians 3:29). An heir is someone legally entitled to the wealth, riches, resources, and possessions of a person who has died.

You are connected to faithful Abraham and therefore an heir of "The Blessing of Abraham." In addition to this, Jesus died to make you an heir of God and joint-heir with Himself. How good is that?

You have inherited something. There's a legitimate *Will* with your name on it. You are a beneficiary named in the Will.

Although we're talking about "The Blessing," that includes every good thing Jesus died to give you, I want you to know that one of the things you have inherited as an heir of Abraham is financial abundance.

*"And Abram was very rich in cattle, in silver, and gold"* (Genesis 13:2). God wants you to become *Rightly Rich*, just like Abraham was.

You should be believing God for favor in the area of finance and prosperity because that's one of the many reasons Christ redeemed you from the curse, and is a major part of the Blessing of Abraham (Galatians 3:13-14).

Overflowing with blessings,

Pastor Glen
