

Greetings Champion!

As we get into the New Year, I want to remind you about one of the most important things you need to remember in order to succeed.

*“Now unto Him that is able to do exceeding abundantly above all that we ask or **think**, according to the power that worketh in us” (Ephesians 3:20).*

It's not what we ask, but rather, what we *think* – is what we are going to get.

God does for you, and allows you to have as your experience, exceeding abundantly above all that you THINK. Good or bad. Beneficial or harmful.

It's not just what you are thinking when you ask God for something in prayer for 2 minutes. It involves what you think about the other 23 hours and 58 minutes of the day.

What you think about continually is what you get, so be warned that what you think about continually may not match what you asked God for.

Renewing Your Mind by Meditating on God's Word guarantees you that what shows up in your life will always be the things you desire (Joshua 1:8).

The reason that we have experienced so many things in our life that we didn't want to experience was because we thought about what we didn't want, more than we thought about what God told us to think about.

Since what you think about continually is what you get, you now understand the need to eliminate fear, anger, worry, failure, and every negative thought from your mind and fill your mind with God's promises.

Since we're beginning a brand-new year, it's time to change our thinking and therefore change our life for the better by thinking about God's wonderful promises and being grateful every single day.

A wonderful year lies ahead of us with limitless possibilities.

Remember, your thinking controls how much God can bless you, and how much of God's blessing you can have and enjoy.

Think blessed and be blessed,

Pastor Glen
