

Greetings Champion!

In Genesis 11 we have recorded the story about the Tower of Babel. God Himself said, concerning those rebellious people, “Now nothing will be restrained from them, which they have imagined to do” in verse 6.

Other translations give us the impact of that amazing statement. “Nothing they propose to do will be out of their reach” (The Torah). “The way they are starting to behave, nothing they plan to do will be impossible for them” (Berkley’s Translation). “Nothing will be unattainable for them” (Taylor’s Translation).

As we read the story, what clues do we see in Genesis 11:1-9 that can tell us HOW they had this amazing power to accomplish ANYTHING?

They had “one language” and were of “one speech.” In other words, they said the same thing... they talked the same talk. Then, they had a common goal, purpose, and plan. God said, “The people is one” (vs.6). **THEY HAD PERFECT HARMONY AND AGREEMENT.**

2 people in agreement can accomplish as much as 10 people working separately and have 10 times the power of one person alone.

*“How should one chase a thousand, and two put ten thousand to flight” (Deuteronomy 32:30).*

Jesus expounded on this tremendous power of agreement when He said, “And again I tell you, if two of you on earth **harmonize** (agree KJV) your praying concerning anything for which you have asked, it will be granted them by my Father who is in heaven” (Matthew 18:19).

The word “Agree” means, “to harmonize, fit together, to fit like a glove, synchronize, be of one mind, to be like-minded.”

“If two of you shall have the identical desire, mind-set, purpose, and belief, as touching anything you want from God, what you desire will be granted to you by God” (Matthew 18:19, my paraphrase).

First of all, at all times agree with God by agreeing with His Word. Then, find a likeminded believer and pray and agree for all of the wonderful promises and blessings of God that you both desire.

As you harmonize together in agreement that God wants you blessed, it shall surely come to pass in Jesus' name.

Agreeing that you are blessed,

Pastor Glen
