

Greetings Champion!

Throughout the Bible, we see that God calls things into existence that didn't exist.

God called things as facts even when every natural evidence seems to indicate the opposite. He wants to teach you how to do the same.

God told an old man named Abraham, who had no children, "I HAVE made you the father of a multitude" (Romans 4:17).

God told a military leader named, Joshua, "I HAVE given you Jericho" while the fortress walls were still standing (Joshua 6:2).

In total darkness, God said, "Light be, and light was" (Genesis 1:3).

From the very beginning, God called those things that be not as though they were. He spoke the end from the beginning.

Today, God expects every believer to follow in His footsteps and speak the Word (which is the solution and not the problem).

God authorizes us to speak the desired end result, by faith, which will alter the current circumstances and materialize what we want.

I'm devoting the month of May, to talk about the power of our words on my daily radio broadcast. I'm also encouraging my listening audience and all my friends to get my book, "Decree Your Miracle."

Find out how, by decreeing faith filled words, you can receive your heart's desire and the miracles that would make your life amazing.

You can hear my radio broadcast 24/7 and obtain my book, "Decree Your Miracle," at pillarsoffait.com.

Speak what you want, not what you currently have,

Pastor Glen
