

Greetings Champion!

When a person feeds on the Word of God, he will automatically develop living faith. “Calling those things that be not as though they are” will then become the primary way of releasing faith to appropriate God’s wonderful promises.

Speaking and decreeing Big Things as we trust our Big God is the way to receive from God.

Today, many people “Talk Big,” thinking that Big Talk will impress people and make things happen. NO! “Calling those things that be not as though they are” is not just talking big – it is speaking with confidence what you are persuaded of, because God’s Word assures you and convinces you that you will have what you say (Mark 11:23).

The Bible tells us that faith moves mountains, subdues kingdoms, obtains promises, moves the hand of God, and brings blessings and miracles. Today however, we see very little of this type of promised manifestations.

Why is this?

It’s because we have not learned how to consistently speak what we want, and stop speaking what we don’t want.

I’m devoting the month of May to talk about the power of our words on my daily radio broadcast. I’m also encouraging my listening audience and all my friends to get my book, “Decree Your Miracle.”

Find out how, by decreeing faith filled words, you can receive your heart’s desire and the miracles that would make your life amazing.

You can hear my radio broadcast 24/7 and obtain my book, “Decree Your Miracle,” at [pillarsofffaith.com](http://pillarsofffaith.com).

Becoming more like Him, by speaking His Word,

Pastor Glen
