

Greetings Champion!

Jesus said, "It is expedient, profitable, beneficial, and to your advantage that I go away: for if I do not go away, the Comforter will not come unto you; but if I depart, I will send Him unto you" (John 16:7).

Jesus was actually saying that it is better for us to have the Holy Spirit in us than to have Him walking beside us. That's some statement!

Jesus revealed God as our Heavenly Father, healed the sick, forgave sins, stopped storms, and fed the multitude. What could be better than walking with Jesus in the flesh? The answer is knowing Jesus as your personal Lord and Savior, AND being filled with the Holy Spirit.

The Holy Spirit wants to be a bigger part of your life than just helping you reach some goals you have set for yourself.

He is the only One on earth that knows how to accomplish what you were put on earth to achieve.

No amount of professional counseling can do as much for you as hearing His voice for yourself. The sacrifice necessary to quiet yourself and listen to Him is very rewarding, for nothing in life is more exciting, thrilling, and exhilarating than to know the "Creator" is your friend and speaks to you.

In my book, "Hearing the Voice of the Holy Spirit," I share with you some (almost) secret principles of listening prayer. I give you the various names of the Holy Spirit and their definitions. The Amplified Bible says that the Holy Spirit is our Comforter, Counselor, Helper, Intercessor, Advocate, Strengthener, and Standby.

Perhaps your life has come up short in some area because you're not even aware of how the Holy Spirit wants to minister to you and for you. I cover all those things in my book and give you Scriptures and understanding about the Holy Spirit. I also reveal how to speak to Him in a way that enables you to set-the-stage for Him to move on your behalf.
