

The mighty blessings and increase of God is yours in Jesus' name.

The Bible says a lot about the power of agreement. The verse we're most familiar with is probably Matthew 18:19, where Jesus said, *"Again I say unto you, That if two of you shall agree on earth as touching any thing that they shall ask, it shall be done for them of my Father which is in heaven."*

That's an amazing statement about what the power of agreement can accomplish. Jesus said that when those "agreement" conditions are met, *"it shall be done for you by my Father which is in heaven."*

Wouldn't it be great if all the good things you can imagine happening for you and your family was accomplished? Jesus said they can be, through agreement.

First of all, you need to agree with God by agreeing with His Word.

Then, you should find a like-minded, faith filled friend, who wants to see you blessed, and have them agree with you concerning some wonderful promise from God. There's power in agreement to accomplish your desires.

The down side of the power of agreement is, many times, we unconsciously enter into harmful agreements that we're unaware of, and we really don't want "done unto us" or materialized.

Many times we unconsciously make "Casual Covenants" that we don't want.

IT'S VERY IMPORTANT THAT YOU UNDERSTAND HOW THE POWER OF AGREEMENT HAS BEEN WORKING AGAINST YOU.

Suppose a friend comes up to you and says, "Hey, Fred, did you see that gas is \$4.45 a gallon today? It won't be long until it's \$5 a gallon." And you say in response, "Yea, it sure looks that way." What have you just done?

You have unknowingly agreed with a condition you don't really want. Most of us do this all the time. We listen to the news or negative people, then we think or say, "Yea, that's the way it is." But is that how you want it to be?

Remember, what you agree upon will be done for you.

Agreeing with you for a more abundant life,

Pastor Glen Curry
