

Greetings Champion!

For as many as are led by the Spirit of God, they are the sons of God (Romans 8:14).

There is a way out. There is a solution to your problems. Help from outside yourself is available to you. Divine help.

I'm talking about hearing the voice of the Holy Spirit for yourself. This month on radio I will be teaching each weekday from my book, "Hearing the Voice of the Holy Spirit."

Listening for and hearing the voice of the Holy Spirit must be cultivated and developed. The Holy Spirit doesn't force His way and will into our lives. He usually doesn't shout over the noise and confusion in our minds. Learning to walk in the peace of God is an absolute necessity. The Holy Spirit takes His cue from us, waiting for us to settle down and open our heart's and ears to Him.

My book and radio teaching will reveal how to listen and hear the voice of the Holy Spirit. (On my website you can hear and download the teaching at no cost or request a free CD of the radio broadcast.) In my book I will give you intimate details on how to talk to Him and get the guidance and results promised in your Bible.

One of the greatest needs in the Body of Christ is to become intimately acquainted with the One whom the Father sent to us in Jesus' Name – the Holy Spirit!

Following in His footsteps,

Pastor Glen
