

Greetings Champion,

Blessings and increase to you in Jesus' name!

I was reading The Scripture Cards yesterday with a friend and came to a card that I want to share with you.

“He makes His people exceedingly fruitful, and causes them to become stronger than their adversaries” (Psalm 105:24).

I like the fact that God makes us exceedingly fruitful. Jesus said that answered prayers are called “fruit,” in John 15. Putting those two verses together we see that God causes us to have great answers to prayer.

What I really like is the next part. “He causes us to be stronger than our adversaries.”

We usually think of a person when we think of an adversary. But No! An adversary doesn't have to be a person, it could be a circumstance or symptom that is trying to give you an inferior life or defeat you in some way.

Sickness is an adversary. Poverty is an adversary. Discouragement is an adversary. Broken relationships with friends or family members are adversaries. Fear, insecurity, condemnation, and confusion are all adversaries.

God causes us to be stronger than our adversaries!

Greater is He that is in us, than every adversary that is in the world (1John 4:4).

Get the mind-set that you are the winner and your adversaries lose – every time.

In Victory,

Pastor Glen
