

Greetings Champion!

On radio I have been likening God's Word to medicine. God's Word is called "health to all your flesh" in Proverbs 4:22. The Hebrew word for "health" is Medicine.

Medicine must be taken according to the directions to be effective. Some medicine labels read, "Take internally," others may say, "Take externally." To rub pills on your body "externally," when the directions say to take it "internally" will not work. To take medicine "internally" that is meant for "external use only" might make you sicker or even kill you.

To take medicine before meals when the directions say take it two hours after meals will reduce its effectiveness. To take it once every few days when the directions say to take it three times a day will mean limited results, if any.

No matter how good the medicine is, it must be taken according to its directions or it won't work properly. The same goes for God's Word. It must be taken according to His directions to work.

The directions for taking God's medicine is found in Proverbs 4:20-22.

1. Attend to His Words.
2. Incline your ear to His sayings.
3. Don't let them depart from before your eyes.
4. Keep them in the midst of your heart.

In other words, keep God's Word on healing first place in your life. Give the Word of God, especially the healing scriptures, top priority in your life.

When you personalize and internalize what God says about healing, it will be life and health to your body.

Visit my [website@pillarsofffaith.com](http://website@pillarsofffaith.com) to hear this week's radio teaching on healing or to purchase the packet I have put together to help you receive your healing and minister healing to others.

To your vibrant and excellent health,

Pastor Glen
