

Greetings Champion!

Blessings and increase to you in the mighty name of Jesus!

I have been teaching on radio and at two Life Groups from church about "Winning the Battle" (Discovering Who Your Real Enemy Is). The content of these teachings are taken from my book, "Winning the Battle." I want to share some of the principles from the book with you.

If you are going to win in life and spiritual warfare, you must allow John 10:10 to become the dividing line that helps you discern good and evil. *"The thief (Satan) only comes to steal, and to kill, and destroy. I (Jesus) have come that you might have life, and that you might have it more abundantly."*

In other words, concerning anything that happens in your life, "If it's good, it's God. If it's bad, it's Satan."

One of Satan's strategies that enables him to continue ruling as the "god of this world" (2 Corinthians 4:4) is to promote the lie among Christians that God is the source of, or in some way involved with, sickness, disease, poverty, temptation, tragedy, war, disasters, and things like that.

Unfortunately many of our highly respected and popular ministers teach this to their congregations on a regular basis. All lack kind of teaching, thinking, and believing does is weaken the body of Christ and cause us to not know who our real enemy is.

God is good, perfectly good, and only wants good and profitable things for your life.
