

Greetings Champion!

God wants 2016 to be the best year you have ever lived.

In order to have the best year you've ever had with God's help you need to be a doer of the Word of God.

Being a doer of the Word is NOT about rule keeping. It's about acting like you are who God says you are, doing what God says you can do, and having what God says you can have.

God wants to recruit you to be an actor.

As an actor you must read and know the script (your Bible), rehearse it, practice it, and act it out in a convincing way.

A football player could know his *team's football playbook* by heart, but if he did not act on that knowledge, it would certainly cause failure and a dismissal from the team.

Well, God is not going to dismiss you from His team, but if you don't do what you know to do based on God's Word, you will be benched from blessings.

Some of you are knowledgeable about the Bible. But the results you're demonstrating in your life are less than what the Bible promises. Let's get that changed immediately and start receiving all that Jesus died to provide for us

God wants you to feel the part of who He says you are. A winner, victorious, a child of God, and so forth.

Personalize the role of a winner. Add emotion and enthusiasm to your part in life. Add expression, give it life – make it yours!

In the movie industry, actors are issued a SAG Card. (Screen Actors Guild Card.) God has issued to every believer His own SAG Card (Salvation, Authority, Grace Card) qualifying His children to act, and play the role of the blessed, happy, and victorious person that He says you are!

I'm talking about acting the part of a winner BY FAITH and not in a deceptive, pretend way.

Pastor Glen
