

Greetings Champion!

I want to tell you what I want in 2016.

I want you to see a new life for yourself. I want you to be passionate about experiencing blessings, happiness, victory, and perfect union with God, and helping others succeed.

I want you to have a passion to be strong, have peace, be highly favored, be healed, walk in victory, prosperity, do something to help someone else, or feel closer to God.

I've been telling you that God wants you to ACT like you are who He says you are.

As an actor you must read and know the script (your Bible), rehearse it, practice it, and act it out in a convincing way.

In the script (Bible) God has written for you to play, you are happy, grateful and win in life, every day.

You may currently feel and believe that you are not who and what God says you are. That's a normal feeling, but God wants you to start *acting-as-if* you are who He says you are, and acting-as-if you have everything He says you have. That's being a doer of the Word.

So, God wants you to *ACT-AS-IF* it's the *Finished Work* of Jesus Only that keeps you forgiven, victorious, in right standing with God, and deserving of all His mighty blessings.

Once you start *THINKING* and *ACTING* like a winner – you'll start winning.
