

Greetings Champion!

“Now faith is the *substance* of things hoped for, the evidence of things not seen” (Hebrews 11:1). God said that faith is “substance.” It’s real.

In the days in which we live, we must put the correct *substance* into God’s hands, or He can’t help us. The substance He is looking for is “*faith*.” If the substance we present to God is inferior, such as fear, doubt, unbelief, crying, and complaining; He can’t use that substance to make anything good.

If, on the other hand, we give Him our *trust*, our *faith*, plus our *words* and *action*, He makes wonderful things happen.

When Moses did what He could do, (stopped the crying, got up, and marched in front of the people and smite the Red Sea with the rod), *then* God did what only He could do and parted the Red Sea (Exodus 14:21-22). When Joshua quit crying and dealt with the sin in the camp, *then* God did what only He could do and forgave the people and gave them military victory.

When a believer exercises *faith* and does something, God will always do something amazing in response. When a believer does everything he can do through *faith* and *action*, God *then* does what only He can do. When believers do something and act on their *faith*, God releases miracles.

We need to pray as if the answer only depends on God, and work as if the answer only depends on us. When God finds that combination...BAM! Manifestations and miracles follow!

Believe
Act
Manifestation
