

Greetings Champion!

Blessings and increase and power and might and dominion be yours in the name of Jesus!

No matter how absurd your beliefs are, your experiences prove that what you believe is true. Always!

Maybe you believe you're too young, or too old, or too uneducated, or too unworthy, or too undeserving to get ahead and thrive in life. Those beliefs are ridiculous and nothing but a lie.

*God wants you blessed big time!*

We subconsciously always try to validate and verify what we believe by the results we experience and what we observe in life. We pervert our observations to match our beliefs.

It's time to believe what the Bible says. You are more than a conqueror! You are the head and not the tail. You are above only and not beneath. God always causes you to triumph in Christ Jesus.

This new year can be amazing for you, if you just change a few things in your thinking. Think blessed and be blessed.

Happy New Year,

Pastor Glen
