

Greetings Champion!

Blessings and increase to you this New Year, in the mighty name of Jesus!

It's important that you understand the following fact concerning the Bible if you desire to prosper and increase in 2017. The fact is, the number one topic God talks about in the Bible is regarding our thinking. Correct thinking produces blessings. Stinking thinking produces curses.

The second most talked about subject in the Bible is prosperity, which includes wealth, riches, possessions, abundance, increase, supply, provisions, stewardship, giving and receiving, making a living, seedtime and harvest, and so forth.

It has been *God's will* to prosper His people financially (and every other way) since He put Adam and Eve in the most prosperous place on earth, the Garden of Eden.

The first words a human ear ever heard was "Thrive and become more." Genesis 1:28, "*And God blessed them, and God said unto them, **be fruitful and multiply, and replenish the earth, and subdue it, and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moves upon the earth.***"

**~ BE FRUITFUL, MULTIPLY, REPLENISH, HAVE DOMINION ~**

The *will of God* for Adam and Eve is the *will of God* for you also. God wants you to thrive while you're alive! Abraham, who is the father of all of us who have faith (Romans 4:11), was "*very rich in cattle, in silver, and in gold*" (Genesis 13:2). The Bible records that he had thousands of servants working for him (Genesis 14:14).

The Children of Israel lived in the "*Good Land of Goshen*" and later God brought them into the "*Promised Land*" that flowed with "*milk and honey*" (Genesis 47:27 and Deuteronomy 6:3).

God has always wanted His people to have the best and prosper. Embrace that mindset if you want supernatural increase in 2017.
