

Greetings Champion!

Blessings and increase to you in the mighty name of Jesus!

Did you know that in God's thinking, anything that makes you less of a person and less than your potential, is your enemy?

One way to overcome an enemy is with the favor of God. When you appropriate the favor that God has for you, your enemies will be defeated before your face.

Psalm 41:10, *"This I know that you favor me, because my enemies do not triumph, or raise a shout over me."*

Many make the mistake of thinking that an enemy has to be a person. That's not so!

Your enemy is anything that tries to make you less. Anything that tries to keep you from the "life more abundantly" that Jesus came to give you (John 10:10).

Your enemy is anything that tries to keep you from becoming all that God designed and desires you to be, and keep you from having the things Jesus died to give you, and you desire.

Your enemy is anything that tries to keep you from your destiny.

Whatever your current enemy is, whether it's a person, sickness, disease, poverty, lack, depression, anxiety, a bad habit, disappointing circumstances, or whatever; God's favor will help you overcome it.

Winning with favor,

Pastor Glen
