

Greetings Champion!

Blessing and increase to you in the mighty name of Jesus!

In the next few weeks, I want to talk to you about “*The Blessing*” because I always try to greet you by saying, “*Blessing to you.*” What does that really mean?

“The Blessing of the Lord, it makes you rich, and he adds no sorrow with it” (Proverbs 10:22).

In your personal life there are many areas that you would *swear to God* that you are thinking and believing the right way, and doing the right things. However, you are mistaken if you are failing to get the results you desire.

Most of us have innocently been using the wrong information, the wrong principles, the wrong formulas, and the wrong beliefs to get ahead in life. But instead of benefiting us, the use of the wrong information, formulas, and beliefs have devastated our lives in many ways.

In life, and in the things of God, it doesn't matter if you mean well and your intentions are noble and valiant. If you think and believe the wrong things, and you, even innocently misuse natural and spiritual laws, you and the people you love and are responsible for, must bear the consequences.

As a result, you personally, your family, and your church suffer needlessly and you don't know why.

Give yourself a reality check! If the way you currently think and believe was capable of producing what you desire – you would already have what you desire.

In order for you to get different results, you have to do something different, and it starts with your thinking and what you believe.

In the next few weeks I'm going to endeavor to share with you principals about changing the way we think and believe that will start producing wonderful results for you.

Be very encouraged, much better days are ahead for you,

Pastor Glen
