

Greetings Champion!

Are you ready for an amazing **blessed** new year?

Deuteronomy 28:8, *"The Lord shall command 'The Blessing' upon you..."* then it starts talking about different areas that God has commanded, "The Blessing" in your life.

The main thing for you to believe is that God has commanded, "The Blessing" on you and you are therefore **blessed**! *"For he spoke and it was done, he commanded, and it stood fourth"* (Psalm 33:9). What God commands, happens. You need to think blessed, speak blessed, believe blessed, and be the blessed as we head into 2018.

"The Blessing" is something you contain! "The Blessing" is on you and in you, and "blessings" of every kind will manifest out of "The Blessing." What God calls "The Blessing" is a gift from God to His people.

"The Blessing" enables (guarantees) God's people to thrive, prosper, succeed, be victorious, win, and increase with the increase of God. The Bible tells us that we are to *"increase with the increase of God"* (Colossians 2:19). Increase is God's plan for you in 2018!

We've already seen that, "The Blessing of God" is much better than the miracles of God. It's better because there's no sorrow attached to it, and usually if a person needs a miracle there has already been sorrow and stress for that person, their family and friends.

Proverbs 10:22, *"The Blessing" of the Lord, it makes you rich, and he adds no sorrow with it."*

All the wonderful blessings of God spring from "The Blessing." Blessings include safety, protection, provision, guidance, favor, good health, healing, prosperity, and every blessing listed in Deuteronomy, Leviticus 26, the Psalms, and much, much more. Believe you receive, and then anticipate "The Blessing" to manifest big time in the new year.
