

Greetings Champion!

Blessings and increase and power and might and dominion be unto you in the mighty name of Jesus!

I want to share a couple of paragraphs with you from my book, "The Blessing of the Lord, It Makes You Rich."

The **blessing** of Abraham that God says is ours in Galatians 3:13-14, is the empowerment to succeed, and has to do with the physical stuff we need to thrive on earth. It includes wealth, riches, increase, safety, victory, God's great favor and care, and an abundance of the physical and material resources required to live life more abundantly.

In addition to Abraham's Blessing, we are now "*The Blessed of the Lord Jesus*," which is also the empowerment to succeed. But this **blessing** has to do with the spiritual things we need to thrive on earth and live forever with God. It includes forgiveness of sins, everlasting life, heaven as our future home, perfect right-standing with the Father, dominion, authority, power, love and a sound mind, and all of the spiritual aspects of having the life, character, nature, wisdom, knowledge, and understanding of God that we need to win in life and live as God's children forever.

"The Blessing of Abraham" includes all the material blessings listed in the Old Testament, plus access to God.

The Blessing of Jesus means all spiritual blessings covering whatever is necessary to live victorious with God in the here-and-now, and forever, as God's child.

It's wonderful to receive God's free gift of everlasting life and become a Christian by simply believing in your heart that God loves you, sent Jesus to die for our sins and pay the consequences of them, and raised Jesus from the dead to be our Lord forever. If you haven't received Jesus as your Lord and Savior, right now is the time to do it and start discovering the wonderful things He has for you.

For God so loved the world, He gave...

Pastor Glen
