

Greetings Champion!

God is really endeavoring to reestablish the "Blessing of Abraham" on the earth today in the lives of men and women like you and me (Galatians 3:13-14).

Do you remember the story of Jesus feeding the 5,000 men, plus women and children in Matthew 14:15-21? Verse 19 says that, *"Jesus took the five loaves, and two fishes and "Blessed them" (KJV).*

What happened when Jesus "Blessed" the loaves and fishes? The five loaves of bread and two fishes multiplied and fed more than 15,000 people. (I say 15,000 because we know the Bible says there were 5000 "men" and there's usually a lot more women and children in the church crowd than there are men.)

Plus, after everyone took "all they wanted" there were 12 baskets left over. God is a God of abundant supply, and that's how you must train yourself to think of Him. He really wants you to experience the abundant life that Jesus came to give to you (John 10:10).

The point is, whatever or whoever the Lord "Blesses," multiplies. And God is really desiring to bless you BIG TIME! When you acknowledge and believe that, "God's Blessing" is on and in your life, you can't help from multiplying.

From the very beginning of time, the first words the newly created human beings heard was, "Be fruitful, multiply, thrive, and become more!" (Genesis 1:26-28)

God wants you to do well. He wants you to succeed and will help you succeed. He wants you to thrive. He wants you to develop as a person and become bigger on the inside of you because when you become more, you can do more, and have more.

Always advancing, never retreating,
