

Greeting Champion!

Blessings and increase is God's Will for your life in Jesus' name! In fact, God wants all of His children to be Rightly Rich. The Bible says so!

I want to share with you that it's time to give up the blame, excuses, justification, and rationalization, and simply believe what God says.

It is easy to evaluate where you're at and recognize that you may not be where you want to be in certain areas of your life. You may try to justify to yourself and to the rest of the world why you are not where you want to be.

The problem is, while you stand there justifying, defending, rationalizing and blaming, at the same time you are negatively reinforcing and attracting the very thing you do not desire in your life. By focusing your thoughts on **why** you can't have what you want, you create or validate and reinforce the belief concerning why you can't have what you desire from God and life.

Anytime you feel the need to explain to someone why something isn't the way you want it to be, or why your life isn't working, you are placing yourself in a position of more negative attraction.

*You are giving your dominant attention to what is wrong, and making an excuse as to **why** you can't have what you desire. God said that you **can** have what you desire in Psalm 37:4 and Mark 11:24.*

Unfortunately, most people are focused on what is **wrong**, and what they *can't have*, instead of what is right, and what has been promised to them. God and I want you to focus on what's been promised you and what Jesus has actually already done for you.

Being focused on "what's wrong" has become an unprofitable and stubborn habit for most of us. It's time to conquer that giant.

You are a winner, not a loser,

Pastor Glen
