

Greetings Champion!

Blessing and increase, and power and might and dominion to you in Jesus' name.

As we have been learning, when you feel negative emotion about anything, it is because you are *worrying* or you are focused on the *lack* of something. And what we've been talking about for the past few weeks is worrying about not having enough money to meet our needs and provide our heart's desires.

So, the process of *Positive Self-Correction* is to correct or replace negative thoughts that can only produce *unwanted results* with thoughts designed to give you what you want, which means *good results*.

In your thought life, you should cast down the negative thoughts of lack and limitation, and mentally affirm, *"I choose to attract wealth and riches into my life right now by acknowledging and thinking about the fact that my God is supplying all of my needs according to His riches in glory in Christ Jesus"* (Philippians 4:19.)

A statement such as this will assist you when you notice you are worrying and dwelling on negative things.

On my free "Pillars of Faith Christian" App for your smart phone, I have recently added more than 100 Scriptures proving that God wants to not only supply your needs, but also wants you to become *Rightly Rich*. I really encourage you to download and view the App and immerse yourself in the Scriptures I have shared with you concerning prosperity.

*"Through knowledge shall the just be delivered"* (Proverbs 11:9).

I would paraphrase that verse this way... *"Through knowledge (of God's Will to prosper His people), shall the just be delivered (from poverty and insufficiency)."*

Better days ahead,

Pastor Glen
