

Greetings Champion!

Blessing and increase, and power and might and dominion to you.

God wants you to thrive and become more!

Ask any pastor or Christian leader to tell you the first commandment. They will most likely say, *"Thou shall have no other gods before me,"* thinking of the Ten Commandments (Exodus 20:3). Others might quote the words of Jesus stated in Matthew 22:37-39 and say, *"You shall love the Lord your God with all your heart, and with all your soul and with all your mind. And love your neighbor as yourself."*

Great answers. These are very important commandments.

However, the real first commandment a human ear ever heard was, *"Increase, become more, abound, thrive, be fruitful, multiply, and have dominion"* (Genesis 1:26-28). That commandment hasn't changed.

God's first and foremost **will** for your life is for you to make the most out of your life as you succeed, increase, thrive, multiply, prosper, have dominion, love Him, and others. This can only be done by believing Him and thinking correctly. You can't thrive by filling your mind with lack, insufficiency, poverty, and decrease. Your mind must always be filled with the increase of God.

Some time ago I had an "aha moment" after studying Abraham, Isaac, and Jacob, and viewing hundreds of Scriptures concerning God's Will to prosper His people. I want you to have that life-changing "aha moment" too. From that revelation I created the book, "The Blessing of the Lord, It Makes You Rich." That statement is taken from Proverbs 10:22 which states, "The blessing of the Lord, it makes you rich, and he adds no sorrow with it."

I have compiled the history of "The Blessing" throughout the Bible and really want you to read the book and experience what God meant when He said, *"Christ has redeemed you from the curse, so that THE BLESSING of ABRAHAM can come upon you"* (Galatians 3:13-14). The testimonies of people's lives being changed by this book are incredible.

Believing for more,

Pastor Glen
