

Greetings Champion!

“May the Lord, the God of our fathers, increase you a thousand times more” (Deuteronomy 1:11).

In 1 Corinthians 3:21-22, God said, *“All things are yours.”* In context, there are no restrictions stated or implied. All things are yours. Jesus said, *“It is your Father’s good pleasure to give you anything and everything His kingdom contains”* (Luke 12:32).

As we acknowledge that all things are ours, we believe and attract the *all things* we desire.

Every time we acknowledge the abundance that we know we already possess, our awareness of our abundance increases. As our awareness of our abundance increases, we experience more abundance flowing into our lives.

Have you ever heard the statement, *“The rich get richer and the poor get poorer?”*

The rich get richer because they continually think prosperous thoughts and their thoughts take them to a rich level.

Proverbs 21:5, *“The thoughts of the diligent tend only to plenteousness.”*

The poor get poorer because they continually think poverty, and their thoughts drag them down deeper and deeper into poverty, lack, and insufficiency.

Currency (money) is related to the word *current*, like a wind current or current of water. Money is always moving and creating a *current*.

Think abundance and the *current of money* will start flowing into your life.

There’s more for you out there,

Pastor Glen
