

Greetings Champion!

Proverbs 10:22, *"The blessing of the Lord, it makes you rich, and he adds no sorrow with it."* Be excited! God calls you both blessed and rich.

I thought I would do something different and share with you a page out of my journal from 2006.

1 Corinthians 3:21-22, *"All things are yours."* In context, there are no restrictions stated or implied. All things are yours.

Luke 12:32, *"It is your Father's good pleasure to give you anything and everything His kingdom contains."*

As we acknowledge that all things are ours, we believe and attract the "all things" we desire (Mark 11:24).

Every time we acknowledge the abundance that we know we already possess IN-Christ, our awareness of our abundance increases. As our awareness of our abundance increases, we experience more abundance flowing into our lives.

Have you ever heard the statement, *"The rich get richer and the poor get poorer?"* That statement is absolutely true in every way. The rich do get richer because they continually think prosperous thoughts and their thoughts take them to a richer level.

Proverbs 21:5, *"The thoughts of the diligent tend only to plenteousness."*

The poor usually do get poorer because they continually think poverty, and their thoughts drag them down deeper and deeper into poverty, lack, and insufficiency.

Currency (which we call money) is related to the word "current," like the current of a river, or a current in the ocean. A current is a flow of something, whether it's water, or air, or money. For that reason you should think that the current of money is flowing money into your life like a river, at all times.

The currency of blessings are overtaking you (Deuteronomy 28:2).
