

Greetings Champion!

*"The blessing of the Lord, it makes you rich and there is no sorrow added with it"* (Proverbs 10:22).

Allow me to share a great secret with you.

The greatest barrier to faith of many wonderful Christians seeking healing or prosperity in our day is the uncertainty in their mind as to it being the *WILL* of God to heal and prosper all of His children.

Nearly everyone knows that God does heal "some" and that a few Christians are prosperous. But there is much in modern theology that keeps believers from knowing what the Bible clearly teaches, and that is healing and prosperity are provided for ALL of God's children through the redemptive work of Jesus Christ.

One of the primary principles we must understand is that it is impossible to boldly claim by faith a blessing which we are not sure God offers. That is because the power of God can only be claimed where the *WILL* of God is known.

So our job is to get in the Word of God and become persuaded from the Word that since it is God's will to heal all and prosper all, it is God's will to heal and prosper us.

Remember, when God's Word alone is our reason for believing that our prayer is answered, before we see or feel any results, that is faith.

Faith is simply taking God at His Word. Faith is simply taking what God says at *face value* and treating Him as an honest individual.

Be blessed, healed, and prospered in the name of Jesus!
